### Summary:

Students of Data Science and Business Analytics Department participated in Inquest 5.0, an inter-collegiate event organized by the Research Cell of H.R. College on 9th January 2026. The event featured multiple competitive activities focused on innovation, analytics, and problem-solving. The students demonstrated exceptional skills and teamwork across various competitions and delivered an impressive overall performance.

As a result of their consistent efforts and dedication, the team secured the First Runner-Up position at the event. In addition to this achievement, in the Data Detective competition, Poornima Valsan and Soham Kokate (SYBSc) won the First Prize, while Mariyah Radiowala and Bhoomi Rathod (FYBSc) secured the Second Prize. Furthermore, in the NeuroPlay competition, Priyanshi Shah and Raj Jain (FYMSc) won the First Prize. These accomplishments highlight the students' strong analytical abilities, technical expertise, and commitment to excellence, bringing great pride to the department.
